

# INTERFAITH PEACE WALK

TO COMMEMORATE SEPTEMBER 11, 2001

**On September 11, 2002 people of faith invite  
Albuquerque faith communities and individuals  
to participate in a solemn walk for peace**

IN COMMEMORATION OF THE TRAGEDY OF SEPTEMBER 11, 2001.

As people of faith, we give witness to our belief that peace in the world can exist through acts of loving kindness. As people of faith we mourn the tragic loss of innocent life, especially children wherever they may reside. We lovingly remember those who gave their lives helping others. As people of faith we place our trust not in military might but in God's demand for love and justice as the true pathway to peace.

---

This peacewalk is inspired by the Muslim/Jewish Interfaith Prayer walk for Peace in April 2002, the Nipponzan Myohoji Buddhist order that walks for peace around the world, and the traditions of spiritual pilgrimage found in every culture.

**Let us call out Salam. Let us call out Shalom. Let us call out Peace in the language we love.**

---
